21st-Century Dispenser Solutions

Period care dispensers and the products they use haven't changed much in the last 30 years.

Until now.

Modern Design

joni elevates menstrual care dispensers to make accessible period care a statement that says you're a modern organizations working on DEI and SDG initiatives.

Easy Refills & Smart Tracking

Easy-fill internal trays and a tracking app allows facilities teams to remotely determine needed refills (Model V4 Spring 2024).

Accessible & Equitable

No coins required and inclusively designed. ADA compliant when mounted at the right height.

Less Waste

Reduce waste and stock with joni's sustainable, plastic-free period care. Dispensers fit applicator and non-applicator tampons for even greater reduction.
