

# BUG REPELLENT

..... IPA .....

As our flagship beer, this one is all about the hops. We've jam packed enough citrus into this brew to keep those skeeters at bay. Multiple hop additions bring out aromas of tropical fruits that are balanced by a medium amount of bitterness and a crisp easy-drinking finish. A definite must-have in the North.

### GOES GREAT WITH:

Fish

Curry

Nachos

7.0% ALC./VOL. 69 IBU

### AROMA:

Very earthy and dank undertones and with sweet citrus and tropical fruit highlights

### APPEARANCE:

Clear honey yellow and white foamy head

### FLAVOUR:

Slight sweetness & intense bitterness with a lingering candy like fruit flavour rounded out with a slight earthiness to compliment the sweetness

### MOUTHFEEL:

Medium carbonation and medium to thick body
