

HONEY BUCKET

.....NUT BROWN.....

Forged in the backwoods of the north, this beer is deeply rewarding. Despite its dark ruby-brown appearance, this one goes down smooth, crisp, and perhaps a bit nutty. A mixture of chocolate and honey malts lend to rich cocoa flavors followed by dry, roasted notes, and enough sweetness that lingers until your next sip.

GOES GREAT WITH:

Grilled Meats Charcuterie Cold Nights

5.5% ALC./VOL. 23 IBU

AROMA:

Sweet honey and caramel with a hint of toffee
