

TURBID WIT

.....WITBIER.....

Naturally cloudy like our local water source during spring break-up, this ale is crisp and light on the palate and will have you excited for warmer weather ahead. Our Belgian style wheat beer is brewed with a colorful mixture of chamomile, coriander and orange peels that compliment its peppery yeast nuances and strong wheat backbone.

GOES GREAT WITH:

Fish

Curry

Nachos

5.0% ALC./VOL. 14 IBU
