Leggere e seguire attentamente, fase per fase, le istruzioni allegate al mobile per il suo montaggio. Conservare le istruzioni di montaggio.
 Carefully read and follow step by step, the instructions attached to the cabinet for mounting. Keep the assembly instructions.
 Lisez attentivement et suivez, étape par étape, les instructions relatives au montage. Conservez les instructions de montage.

Rispettare il numero di persone indicate nelle istruzioni, per non causare danni al prodotto e operare in completa sicurezza.
 Please respect the number of people indicated in the instructions, so as not to cause damage to the product and operate in complete safety.
 Merci de respecter le numéro de personne indiqué dans les instructions pour travailler soigneusement et en toute sécurité.

Verificare la ferramenta secondo quanto riportato nella legenda dei pezzi e procurarsi gli utensili necessari al montaggio e i DPI.
 Check the hardware as shown in the legend and obtain the tools necessary for assembly and the PPE.
 Vérifiez la quincaillerie selon les quantités de la nomenclature sur la notice de montage et les EPI.

Verificare il perfetto fissaggio degli elementi e la stabilità dell'oggetto a fine montaggio.
 Check the perfect fixing of the elements and the stability of the object at the end of assembly.
 Vérifiez la fixation parfaite des éléments et la stabilité de l'objet à la fin du montage.

Servirsi di una superficie morbida dove appoggiare e preparare i pezzi. Un tappeto o anche il cartone della scatola possono essere adatti.
 Use a soft surface to place and prepare the pieces. A rug or even the carton of the box may be suitable.
 Utilisez un carton d'emballage pour placer et préparer les panneaux au montage.

I cartoni utilizzati nell'imballo sono riciclabili.
 The cartons used in the packaging are recyclable.
 Les cartons utilisés dans l'emballage sont recyclables.

Usare il prodotto in modo corretto, esclusivamente per la funzione a cui è destinato. Rispettare il carico indicato per ogni articolo. Controllare periodicamente la solidità e stabilità del manufatto. Controllare periodicamente le viti.

Use the product correctly, exclusively for the function for which it is intended. Respect the indicated load for each item. Periodically check the strength and stability of the product. Periodically check the screws.

Utilisez l'article correctement et exclusivement pour la fonction destiné. Respectez le poids de la charge indiquée pour chaque article. Vérifiez régulièrement les conditions de résistance et stabilité du mobilier. Vérifiez régulièrement les vis.

I carichi, uniformemente distribuiti, non devono superare quanto indicato nelle istruzioni e/o sulle etichette applicate sugli elementi.

The loads, evenly distributed, must not exceed what is indicated in the instructions and/or on the labels applied on the elements.

Les charges uniformément réparties, ne doivent pas dépasser ce que est indiqué dans les instructions et/ou sur les étiquettes apposées sur les éléments.

I manufatti senza ruote non devono essere trascinati, ma sollevati e riposizionati.

The items without wheels should not be dragged, but lifted and repositioned.

Interdiction de trainer en tirant d'une coté tout genre d'appareil, sauf ceux munis de roulettes. C'est préférable de les soulever pour une nouvelle position.

Usare un panno appena umido per una perfetta pulitura del mobile, senza usare detersivi abrasivi o solventi. Alla fine asciugare bene.

Use a slightly damp cloth for a perfect cleaning of the cabinet, without using abrasive detergents or solvents. After dry well.

Les surfaces mélaminées du mobilier assurent un parfait nettoyage par un chiffon humide, il est exclu tout détergent, abrasif, solvant. Sécher après nettoyage.

Tutte le parti in legno sono riciclabili, per cui si consiglia di togliere tutti i componenti in metallo e plastica prima della dismissione del prodotto.

All wooden parts are recyclable. Please separate the metal and plastic parts before discarding the product.

Tous les composants en bois sont recyclables. Séparez la quincaillerie et les plastiques avant de jeter le produit.
