

Social distancing quilt project from The Sewing Shed

Make 4 blocks like this from 2 ½ inch squares. Make them all different but keep a dark colour running through the centre

Join the four blocks together as in the next picture

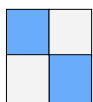

Cut four borders 2 ½ x 20½ and four squares from a dark fabric 2½ x 2½.

Sew two border strip to either side of the centre. Sew a square to each end of the remaining two border strips. Then sew these border strips to top and bottom of the centre.

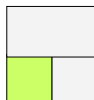

Make Four 4 patch blocks using 2 ½ inch squares

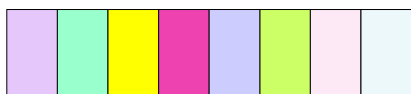

Make EIGHT Of the following blocks.

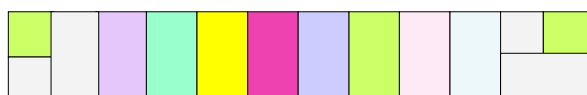

Each block is made from two 2 ½ inch squares and one 2 ½ x 4 ½ rectangle

Cut 32 rectangles 2 ½ x 4 ½ inches. Sew them together in groups of eight . Make 4 border strips like this

Add two blocks to the end of all the border strips, sew to either side of the centre.

Add a four patch block to the end of two border strips, sew to the top and bottom of the centre.
