Easy to Hear, Easy to See, Easy to Use!

A picture is worth a thousand words (or however many words you want). Check it out! Eight prominent speed dial keys display photos of the people you call most often.

The CSC500 Spirit amplified phone is ideal for anyone looking for a simple, value priced powerful amplified phone. Thanks to a specially designed circuit this phone has extra loud receiver levels without the need to AC power. Together with an enhanced ring volume, this phone is ideal for the hard of hearing. The ClearSounds® CSC500 is designed to ensure easy and effective communication for those who depend on it.

Big button easy-to-read keypad with eight photo frame buttons for easy one-touch dialing

Equipped with a 85 dB adjustable ringer as well as a bright visual ringer.

ClearSounds®
It's Communication Amplified.
