

## Pin Reset/Factory Reset Instructions

1. Turn Tablet **Off**.
2. Press and hold the **Vol+** then press and hold the **Power** button (keep holding the **Vol+** until it boots up to an Android icon with no command screen).
3. Press and hold the **Vol+** then press and release the **Power** button (this will bring up the recovery mode).
4. Select '**Wipe Data Factory Reset**' by scrolling up or down the list that is displayed (highlighted) - scroll using the **Vol+** or **Vol-** button.
5. Press the **Power** button for to confirm / select. This will wipe all data saved including photos.
6. Select '**Reboot System**' by scrolling up or down until that is highlighted - scroll using the **Vol+** or **Vol-** button.
7. Press the **Power** button to begin the reboot. This may take a few minutes.
8. You will have to start from scratch to set up your tablet and all personal data including photos will be lost.
