# Immerse in possibilities

Baja™

## Let's come together

When you want to feel the room and fill the room, there's Baja. Its comfort, customization, features and function will stand out – all while blending in – and echo the vibe of any space with subtle sophistication. Discover what's possible when you're surrounded by cohesive design.

## California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for almost 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for any (and every) space.

## One with everything

This chair looks good, feels great and features a variety of options to fit an array of applications – from the café and bar to places where you need to work (but want to have fun).
