
Sprout

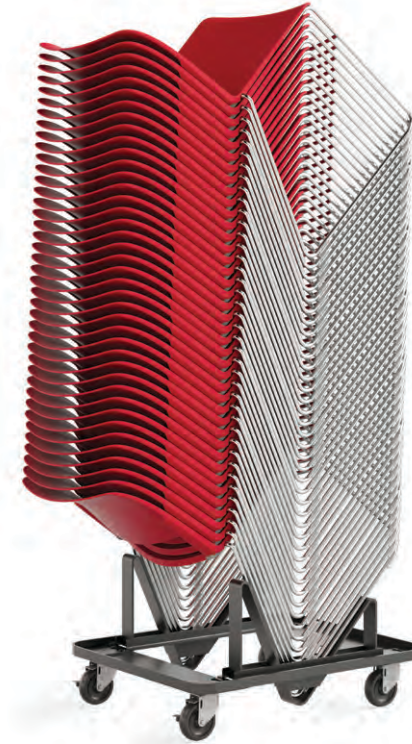

It's friendly – ergo and eco

The supportive, flexing back on Sprout provides extra ergonomics while the simple shell + frame construction makes it 100% recyclable (and super easy to maintain). It pairs a refined silhouette with rugged durability and stacks higher than any other chair we have. Whether spread out, stacked up or stored away, Sprout is always ready to surprise and thrive.

Dedicated to sustainability

From the fabrics we select to how we run our corporate office, we work hard to minimize the impact of our operations. Our lean manufacturing practice provides the foundation for our sustainability strategy by eliminating waste, conserving resources and responsibly designing products for durability and extended life. Sprout is 100% recyclable and one of many initiatives that help further our commitment to being good stewards of our planet.

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for almost 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for any (and every) space.
