

REYA™

Home Edition

Official business or family business, Reya provides a dedicated place to work when you're home. Rounded corners and slim, modern design fit in almost any room, and its 60-second assembly means you're ready to roll in about the time it takes to reheat those leftovers – no tools or teams required. Escape the clutter (and kitchen table) with a customizable look and feel for any home office.

REYA

FEATURES:

- With free residential delivery and easy assembly, Reya is a solution designed for everyone
- Our patent-pending design means you can go from box to work in 60 seconds – no tools needed
