

## **Blu Balm™ *NEW!***

### **Advanced Healing Ointment Base**

Blu Balm™ is formulated with conditioners to aid in the protection of sensitive skin. It creates a moisturizing barrier to help maintain healthy skin. This smooth and comforting ointment is most often used to quickly aid in the relief of diaper rash, eczema, irritated, chafed, or dry skin and much more.

Since 1978, Blu Balm™ has been a US healthcare trusted formula for over 40 years. Formulated with Vitamins A, D & E, Blu Balm™ is a nourishing ointment base with conditioners to aid in the protection and healing of sensitive skin. Blu Balm™ also performs great as a water-resistant moisture barrier to aid in protection against diaper rash and skin chafing.

### **Benefits:**
