

## CatCraze™ WS/OS Powder Concentrate

### Naturally Advanced Veterinary Compounding

CatCraze™ WS/OS is the perfect natural attractant for feline compounding. Its' natural ingredients are both oil soluble and water soluble, so it can easily be used in a wide range of oral formulations to successfully help improve palatability and compliance. Targets improvement in organoleptic and aroma defects.

CatCraze™ WS/OS is another SpecializedRx innovation developed, formulated, and manufactured at SpecializedRx. If your current feline flavor strategy has mixed reviews, discover the endless possibilities with adding just a small amount of CatCraze™ WS/OS to help increase compliance and improve pet owner satisfaction to correct flavor defects in numerous compounded oral preparations.
