

CERTIFIED CHILD RESISTANT – THE NEW GENERATION!

SmartScripps™ G2

Now With EZ Press Tabs

Less Force Required To Release Tray

IMPROVED TRAY FLEXIBILITY BY 70%

Now very easy for any patient to remove individual doses, even gelatin troches.

IMPROVED ERGONOMIC DESIGN

Updated with EZ Press Tabs that require less force to release tabs!

About **60,000** young children end up in emergency rooms each year (in the United States) because they got into medicines while an adult wasn't looking.

Improved Innovative Design

- Child resistant compliant
- Cavities flex for easy troche removal
- Tamper evident seals
- Semi-transparent trays

Easy to use, just squeeze the side tabs simultaneously while sliding the tray out to dispense. Slide the tray in fully to lock.

SmartScripps™ G2 Features

- ✓ Child Resistant: 16 CFR 1700.20 & ISO 8317 compliant
- ✓ Tamper evident (seals included)
- ✓ Meets USP light transmission requirements
