DESIGN INSPIRATION

A modern approach to the ancient tradition of hand painted plum and cherry blossom decor. The layered blossoms and branches represents a modern approach to chinoiserie. The inspiration of the plum or cherry blossoms represents the delicate fragility and the beauty of life. It's a reminder that life is almost overwhelmingly beautiful but that it is also tragically short. When the cherry blossom trees bloom for a short time each year in they serve as a visual reminder of how precious and how precarious life is. A sophisticated chinoiserie for the most discriminating interior designers in the world.
