ROLL SIZE: 34" WIDE X 8 YARDS

REPEAT: 34" HIGH *FULL REPEAT SHOWN*

GRASSCLOTH ON PAPER

"Impressionism's inspiration comes from my core focus on multifaceted light and color, the swirls away from the dark and gray light of winter, the impressionist painters who immortalized the South of France's beloved small towns of Cap Ferrat, Villefranche, Cagnes Sur Mer and Antibes where Picasso, Renoir, Matisse and Leger each found inspiration; and where generations of designers and artists have been moved to create works of beauty in every field."

-Nicolette Mayer
