### DESIGN INSPIRATION

Royal Delft Lion Jar is a modern take on "blue and white" patterns with shadowy damask waves. It combines a classic aged damask motif and the iconic, historic, timeless allure of Royal Delft's Porcelain Lion Jar, whose common chinoiserie cousin is known as a temple jar. It centers the amazing Lion Jar within the center of the updated damask shape that dances with it. The playfulness of the pattern mixes with other modern patterns and more traditional ones, providing the designer with flexibility of a transitional vibe to create classic appeal for next-generational customers who look for freshness and novelty.
