**Class:** US:CLASS A (EU: B-S1, D0)

Inspired by Ottoman Palaces, for the 2019 Kips Bay Showhouse in Palm Beach designed by Cindy Rinfret, we created multiple additional thematic patterns that can inspire designers to mix, match and customize with Iznik Overdye, Byzantine and our signature single mural, with multiple cuttable borders and a base that coordinates to Iznik Overdye titled Topkapi Garden. Each new pattern affords complexity, subtlety, and timeless elegance.
