

Guarantee

All plants are selected with great care. This way we check every plant for diseases and health. This way we deliver healthy and beautiful plants. In the unlikely event that something is not right, please let us know via email support@meergroeninhuis.nl.

The guarantee that we use for our plants is 2 weeks, but you can of course always contact us if the plant does not go well. Maybe he doesn't get the proper care or something else going on. In many cases we can advise you so that you and your plants are happy again.

In addition to the above-mentioned guarantee applies without prejudice to the legal guarantee. The statutory warranty applies to all items that you purchase from us. Legal guarantee means that a product is or must do what the consumer can reasonably expect from it.
