The smart water analyzer
to simplify the treatment
of your pool or your spa

Download the free
application Blueriot
Pool & Spa Assistant

2 years warranty
(device + probe)

blueriot.com

Benefit from a healthy and clean water for **the well-being of your family**

Comfort

Blue Connect Go takes the measurements for you and guides you to balance the water

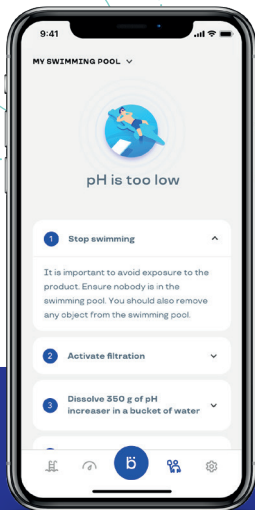

Saving

Save chemicals and money thanks to the step-by-step guide with advices adapted to your pool or your spa

Health

Your water is well-balanced thanks to the quality recommendations

The solution to enjoy your pool or your spa thanks to the 3-in-1 sensor that measures the key parameters of your pool or spa:

- ✓ water temperature
- ✓ pH
- ✓ Disinfectant level/ORP (platinum sensor suitable for swimming pools and spas disinfected with chlorine and bromine)

With the practical guide and the tailor-made recommendations
