Sinuous and sculpted, the Catalina Curved Sofa is a true statement piece which offers elegant feminine design coupled with exceptional artisan craftsmanship.

The generous curved design features graceful enveloping lines which feel enticingly soft and well proportioned. The voluptuous design is ample and full, yet conveys a sense of lightness thanks to the recessed base which raises it from the floor. The fixed seat cushion adds to the sculptural design of the piece and feels firm and comfortable.

- Australian made
- Curved arms and body
- Sculptured foam fixed seat and back
- Top stitched upholstery detail
- Inset wood plinth base with a selection of stain options
