KANTARA

Kantara is a Los Angeles based, fair trade design business specializing in handwoven rugs and textiles from women's weaving cooperatives in Morocco's Atlas Mountains.

Since 2008, we have worked directly with the same weaving cooperatives in rural Morocco and thanks to our longstanding relationship with these highly skilled artisans, we are able to curate and design a diverse collection of textiles.

In preserving the ancient weaving traditions of rural Morocco, Kantara has remained committed to fostering the economic development of its artisans through ethical trade, creating a direct conversation between the artisans and our clients.

All rugs are available to be custom ordered to size and color specifications.
