QuickShip

P R O G R A M

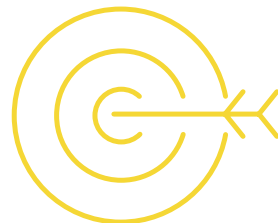

what you get

Featuring products that are available as part of our QuickShip program to ship within ten business days or less! Contact your sales representative for volume purchases.

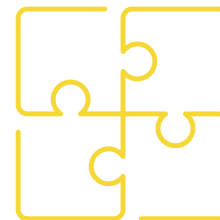

No Upcharge To Ship On Time

We don't charge you for faster shipping. We base our lead times on what we can get to you, not on what we can get out of you.

Guaranteed Lead Times

Products in our QuickShip program are available to ship to you within 2 to 10 days so you get your product when you need it. While supplies last.

Outfit Your Entire Space

Our QuickShip program covers more than just desks and chairs. You can get wall mount boards, mobile boards, and more.

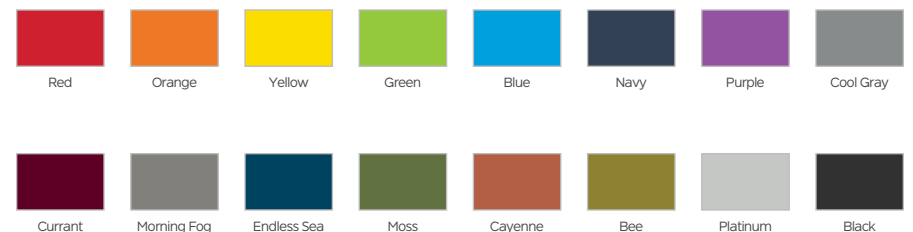

Design For Modern Learning

Our QuickShip products are designed for today's classroom with details that promote the latest educational philosophies.

At MooreCo we are proud to offer a QuickShip program that provides the most extensive product offering with the fastest lead times in the industry.

More colors and finishes than anyone else!

THRIVE™

BY MOORECO

What does a classroom need for students and teachers to thrive and how soon can you get your products?

Our Thrive philosophy embraces the importance of flexibility and collaboration in the environment. Our Quick Ship list has been carefully curated to offer a variety of products that truly accommodate the needs of students and teachers, no matter their style of learning or their age. Considering the 6 key aspects of human development, our Quick Ship program now allows consciously designed learning environments in just 10 days.

Physical + Psychological

Adjustability: We understand learning environments must constantly change to fit the needs of students. We offer several desks that adjust in height pneumatically or by assembly, allowing students to easily go from sit to stand.

Movement: We understand the importance of movement for students, and how movement is linked to learning. Our pulse, breathing, and circulation all change when we move, putting our brains into action.

It is important for teachers to be able to move around as well: as environments change, they change with them.

Intellectual + Social-Emotional

Collaboration: Working together is a primary tenet of active learning, and when students work together, the knowledge becomes a point of pride! This includes giving teachers a desk that can accommodate movement and collaboration.

Participation: When students share their ideas, they enhance their learning experience. Writing surfaces are an incredible resource for students to explain, ask, remember information and engage with others.

Moral + Spiritual

Balance: Students develop confidence, resilience, and wellbeing when they engage with the arts. Hands-on experiences such as maker space robotics, extra-curricular activities and career training programs support the development of balanced, confident, and inspired people.

Visionary® Magnetic Glass Board

- Tempered safety glass. Compatible with any dry/wet-erase marker, grease pen, etc.
- Attractive stainless steel mounting standoffs. Mounts are standard with a silver finish.
- Easily cleans without ghosting or staining. Accepts rare earth magnets.
- Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Porcelain Steel Whiteboard - Deluxe Aluminum Trim

- Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting.
- Reduced surface light distortion enhances visibility to provide optimum eye comfort.
- Steel is permanently laminated to a light weight substrate for stability and durability.
- Anodized aluminum trim has a 7/8" profile with hairline mitered corners. Includes a full-length tackable map rail with a colored cork insert, and a full-length accessory tray with rubber Dura-Safe® end caps to eliminate sharp edges.

Parts of a Plant

NAME THE PARTS

- 1) CELL WALL
- 2) CHLOROPLAST
- 3) CYTOSOL
- 4) NUCLEUS
- 5) VACUOLE
- 6) MITOCHONDRION
- 7) GOLGI APPARATUS
- 8) PLASMID
- 9) RIBOSOME
- 10) CELL MEMBRANE

"If you look at a plant, you will see that it has many parts. Each part has a job to do. The parts of a plant are: Root, Stem, Leaf, Flower, Fruit, and Seed."

Stem

The stem is the part of the plant that supports the leaves and flowers. It also carries water and nutrients from the roots to the rest of the plant.

Microorganism

Microorganisms are tiny living organisms that are too small to see with the naked eye. They can be found everywhere, including in the air, water, and soil.
