Assembly Instruction

1. Use Key Set (C) to Unlock Drawer. Remove the drawer from the outer Drawer body (P1) by pressing tabs on the drawer slides as you pull out the drawer. See illustration #1.
2. Place the outer drawer body under the Table top and attach it with four Screws (A). Make sure the Drawer front, when inserted back into the drawer outer body, is flush or just behind the front edge of the Table Top.
3. Place the Drawer back into the outer drawer body. Insert the Pencil Tray (B) into the Drawer as shown below.
