Multi-Purpose Mobile Cart

Our Multi-Purpose Mobile Cart is essential to today's makerspaces. Plus, it's sturdy and mobile, while providing flexibility for today's spaces. Built of solid maples and maple veneers, the cart rolls easily on 4" locking casters, has a fully dovetailed drawer for storage and a flip-up shelf (17"W x 14"D) for additional workspace. A removable aluminum upright set is included and can hold a variety of materials that is accessible at a convenient height above the cart.
