Adaptable Table (ADA)

Adaptable...the name says it all. The height can be adjusted so easily—you can make the table adapt to your situation. The unique design of the leg allows you to adjust the height of the table in less than 30 seconds without the use of tools. Use the table at sitting height, standing height, or even at display height. Use the table for elementary children through adults. Ideal for use by a person in a wheelchair. Make it match the height they need. Table adjusts in 2 cm increments. The powder-coat legs include adjustable glides. Choose from two sizes and two tops. Height adjusts from 27-3/4-39"H (42" with included spacer).
