

Big Screen Transparent Panel

CF902-524

Description

The modern classroom utilizes distinct and separate flex-spaces for different learning activities to maximize engagement. Clear PlayPanels® are the perfect room dividers for any commercial daycare, playroom or homeschool where clear sightlines from flex-space to flex-space is a priority for the parent or caregiver. Separate your room into a sleeping space, an art station, a reading nook or for any other purpose. These panels are lightweight and easy to fold and store. Clear portion of PlayPanel is made of clear 20 gauge vinyl.

The hygienic, easy to clean material surface is stretched over durable plastic pipe and fittings. Panels can be combined in different color combinations to create your own look and can be used vertically or horizontally. Single Set includes 2 double claws and 2 molded weighted plastic Cantilever Legs to ensure stability.
