Tables, Seating and Storage Solutions

## Upholstered Stack Chairs

The design excellence of our upholstered stack chairs can be seen in their long-lasting performance. Strong, tubular steel frames, quality fabrics and premium upholstery foam give our chairs a competitive edge.

Chairs are available in an array of back styles and our seats give you the long-lasting performance of premium high density seat foam. With a generous seat thickness, our chairs are firm, comfortable and exceptionally durable. Because our foam makes for greater product longevity and seating support, Virco

upholstered stack chairs give you the best furniture value for your money.

Stack bars welded to the legs and plastic stack bumpers help protect frames and upholstery when chairs are stacked.

#### Custom 8900 Series

Virco has decades of experience providing customer-specified upholstery color and frame combinations for our 8900 Series Chairs.

#### Standard 8900 Series

Our Standard 8900 Series Chairs offer great value in an upholstered stack chair.

#### 8800 Series

Our padded upholstered Comfort Stacker<sup>™</sup> gives you strength and durability while still priced to give you optimum dollar value in a versatile stack chair.

# Multi-Purpose Seating

Our multi-purpose chairs are the model of durability. For adaptable, stylish seating that works in a wide range of settings, Virco's "everywhere chairs" give you a diverse range of choices. With options available in plastic or upholstered seats and backs, these chairs deliver exceptional support and durability. Virco's complete spectrum of styles and colors deliver seating solutions that are right for your facility.

Our 8830SBG Chairs are easy to set-up, gang, stack, and store.

#### 8830SBG

A combination of strength, durability and stability, our 8830SBG chair can be stacked up to 10 chairs high and stored 100 at a time in the SCT11SU storage cart.

#### 8802

Comfort Stacker™ 8802 chairs feature a padded, upholstered seat and back and can be stacked up to 7 chairs high and transported with several mobile hand carts.

#### Civitas®

Versatile and adaptable, this series features a stylish and sophisticated frame that can be paired with ZUMA®, Sage™ and Analogy® seats.

## Folding Chairs

Thanks to their sensible practicality, folding chairs are classics in the field of multi-purpose furniture. When comfort and convenience are paramount, Virco's full range of folding chairs can transform any convention or event space at a moment's notice.

Placing a premium on comfort, our top-of-the line
198G deluxe folding chair features a plush 27/8"
padded seat. For the same effect with a lower
profile, our 190G model's padding is dropped
into a fully enclosed seat pan. From simple to
sophisticated, our collection of folding chairs
can be customized to fit the functional and
aesthetic needs of your venue.

A seating location plate can be added to the underside of select models to help easily identify assigned seating locations.

#### **Seating Add-Ons**

An arm kit can be added with the ganging feature to create rows of stadium seating on select models.

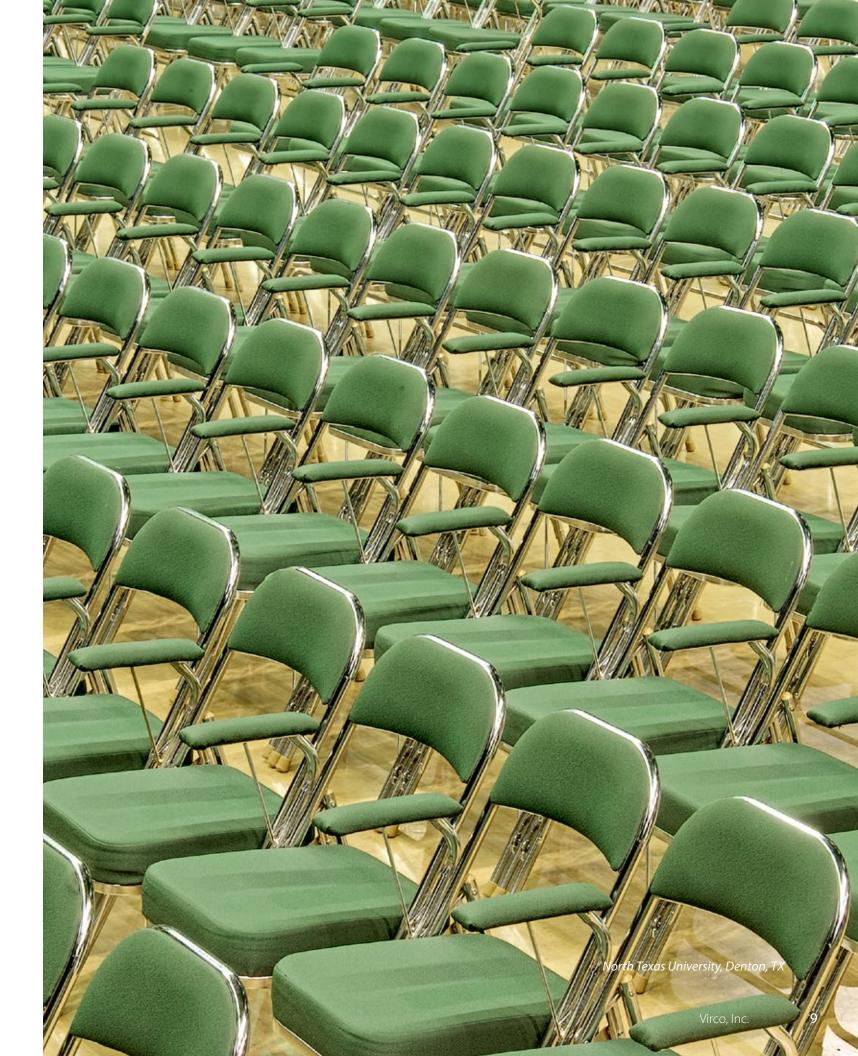

#### Easy Access

Seats fold up independently to allow easy passage through rows of chairs.

#### Customize

Customize seats with printed logos or stamped branding. Embroidered branding can be added to select models.

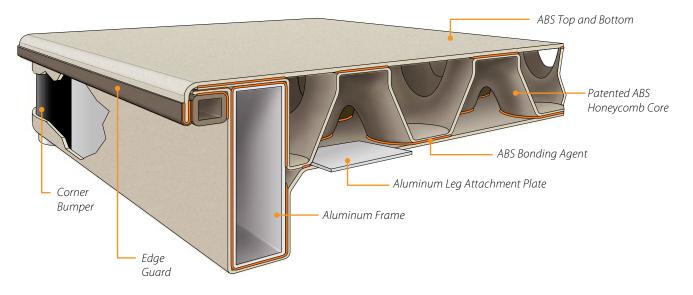

## **Event Tables**

Our Core-a-Gator® line sets the standard of excellence for lightweight folding tables. Up to 40% lighter than traditional tables, Core-a-Gator's patented extruded aluminum frame makes it superior to lightweight tables that rely on wooden inserts for structural strength and durability.

Featuring a rugged ABS plastic core, these hard-working tables provide consistent and reliable performance in real-world conditions. In addition to their superior durability, the ease of transport, set-up and tear-down prove Core-a-Gator tables are engineered for the long haul.

Whether you need folding tables to create temporary arrangements or remain set-up for everyday use, Core-a-Gator tables provide a durable yet lightweight solution to meet the needs of any active facility.

#### Core-a-Gator® Features

#### Banquet Tables

Lightweight and durable, Core-a-Gator tables are perfect for the dynamic nature of banquet settings.

#### Seminar Tables

Designed to take up a smaller footprint, seminar tables feature innovative gravity-lock legs on all rectangular Core-a-Gator tables.

#### **Shaped Tables**

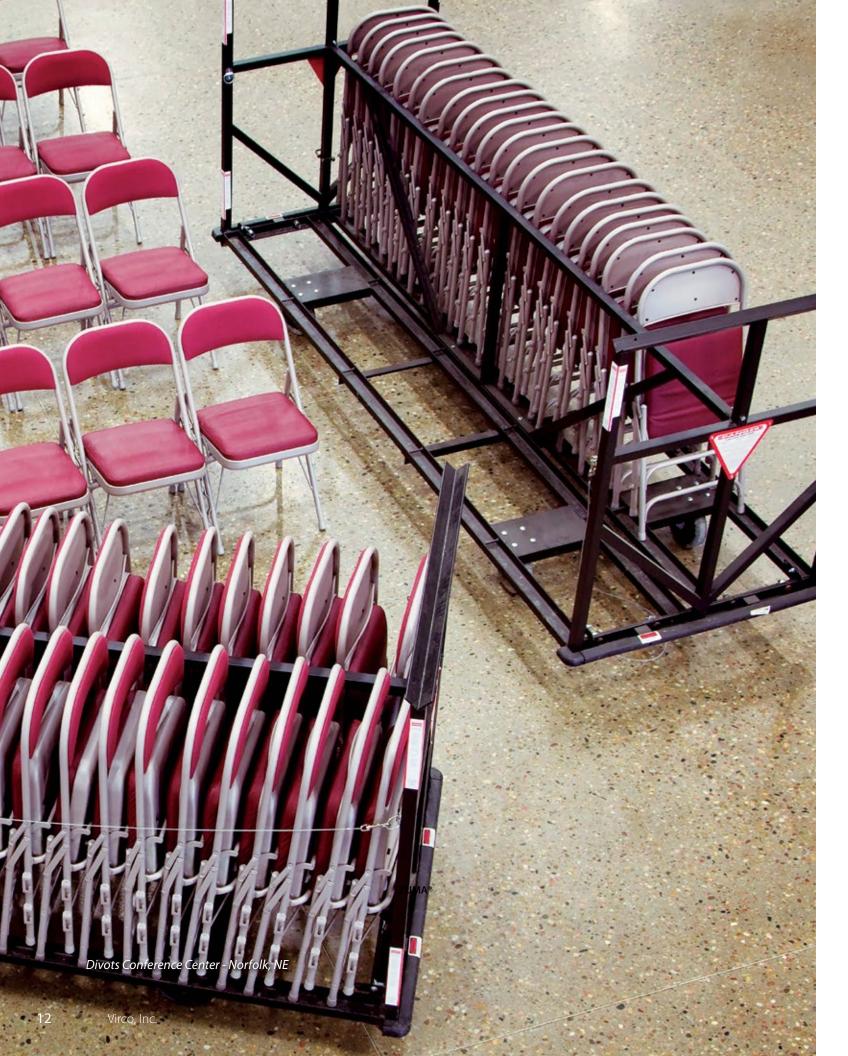

Fit for convention centers, event spaces and everyday all settings, our Core-a-Gator® tables come in a variety of shapes and sizes.

#### **Traditional Folding Tables**

Strong and foldable with patented protection, our traditional folding tables are reinforced by a steel support apron and our patented Sure Edge banding helps hands and fingers avoid scratches and cuts.

## Handling and Storage Equipment

When storage issues get out of control, Virco has the equipment to put them in their place. Designed with the user in mind, our complete line of trucks, dollies and storage carts make moving and storing Virco seating and tables simple, efficient and hassle-free. Whether you require stackable storage trucks, specially configured dollies or high-capacity carts, Virco has storage solutions that deliver. For venues with unique storage challenges, Virco has decades of experience providing custom solutions designed to meet the storage requirements of any environment.

#### Stackable Storage Carts

Our large-scale, space-saving storage system for tables and chairs allows carts to stack three high.

#### **Chair Dollies**

Virco offers a variety of chair dolly models to handle both folding and stacking chairs.

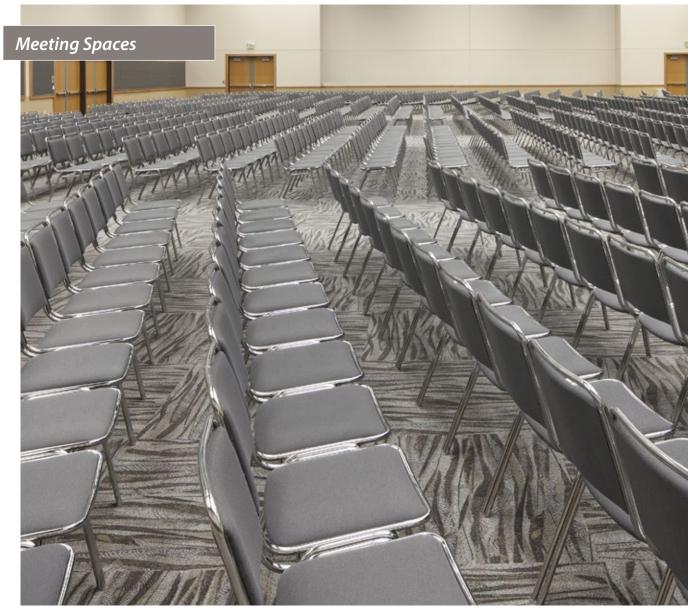

#### **Tables Trucks**

Our full line of storage solutions for folding tables and Core-a-Gator tables are engineered to withstand the rigors of high-volume, day-to-day use.

## Safe Environments

Virco proudly complies with all laws and governmental regulations affecting our products, including the California Air Resources Board (CARB) regulation on formaldehyde emissions from composite wood products and the federal Consumer Product Safety Improvement Act of 2008 (CPSIA).

#### **UL GREENGUARD Certification**

Virco became the first classroom furniture manufacturer to earn GREENGUARD® indoor air quality certification through the GREENGUARD for Children and Schools program. Today, hundreds of Virco classroom furniture models have earned this important certification.

#### ANSI/BIFMA

Please see virco.com for further information or questions on any specific model.

#### Warranty

Virco will repair or replace, at its option, any Virco furniture or equipment product which proves to be defective in original material or workmanship that may become evident within the first 10 years of the date of purchase and 5 years from the date of purchase for casters, glides, pneumatic cylinders and torsion bars. This is your sole and exclusive remedy. This warranty covers products manufactured after January 1, 2017, as long as product is owned by original purchaser, and is subject to limitations.

Since 1950, when we opened our doors in Southern California, Virco has been proud to design, manufacture and assemble our products in the U.S.
