

LECTERN WITH CHARGING STATION

LX-PNADJ-EPW

PNEUMATIC HEIGHT-ADJUSTABLE LECTERN WITH KWIKBOOST EDGEPOWER® CHARGING STATION

For those looking for a space-efficient and versatile presentation and/or mobile workstation, Luxor has combined two proven products into one amazing solution. The Pneumatic Height-Adjustable Lectern with the KwikBoost EdgePower® Charging Station will become an indispensable addition to any classroom, medical clinic, office, and more. Now you can work or present anywhere you like, standing or sitting, while enjoying convenient, cord-free power for your laptop, tablet, and phone.

Pneumatic Height-Adjustable Lectern Features:

- Pneumatic foot pedal provides simple and swift height adjustment from 28" to 42.5"
- Presenter's shelf offers five settings of angle adjustment: 10°, 20°, 30°, and 90° (flat)
- Paper-stopping lip keeps materials and equipment in place
- Modern and professional design suits conference rooms, classrooms, and training areas
- Offers diverse user applications: equally suitable for presentations or as a compact laptop workstation
- Two 2" casters allow for easy transportation while 2 rubber feet stabilize the legs on any surface

Kwikboost Edgepower® Charging Station Features:

- System includes a charging station that clamps onto the lectern, two rechargeable batteries, plus a single battery charger
- Eliminates the need for extension cords and power strips, which are inconvenient, unsightly, and a potential trip hazard
- A single EdgePower rechargeable power bank can charge a typical laptop up to 2 times, a standard Chromebook or tablet up to 4 times, and an average smartphone up to 14 times
- Each Clamp-On Desktop Power Hub Unit offers a 100V-120V, 90W AC outlet, USB-C PD charging port, and a USB-A charging port with Quick Charge 3.0 technology
- EdgePower Rechargeable Batteries are interchangeable to allow for extended use
- The rechargeable power stations clamp onto desks and tabletop surfaces up to 1.5" thick
- Battery features power switch and LED indicator lights
- One-year limited warranty
