## SIDETRAK SLIDE - Attachable Portable Monitor

### Your Portable Monitor, Reimagined

Instantly double your laptop screen workspace with this game-changing attachable portable monitor technology! SideTrak Slide is a 12.5" FHD IPS monitor that magnetically attaches to the back of your laptop with metal plates so you can effortlessly work anywhere with two screens. SideTrak Slide is the most portable monitor on the market and the perfect laptop companion whether you are working from home, in the office, or on-the go!

### Unleash Endless Productivity

Whether you are on a zoom call or working on an important project, two screens allow you to easily reference documents and take notes with more screen real estate.

### Productivity That Moves with You

SideTrak Slide's lightweight, durable, and slim design is built for your life on-the-go! It fits in most work bags so that you can carry it between your home and office.
