

CLASS BOARDS

MOBILE MAGNETIC GLASS MARKER BOARDS

MMGB6040 | MMGB3040 | MMGB4836

Luxor's mobile magnetic glass whiteboards double the writing space and are designed to move easily from location to location making them perfect for collaborative workspaces. The durable aluminum frame and wide base creates stability while the super-clear glass offers a bright white surface that is optimal for wet/dry erase markers.

Available in three sizes, these double-sided magnetic glass boards present a contemporary look that complements any office, conference room, training center or classroom, while the 3" rollerblade-style casters with non-marking treads guarantee smooth mobility.

Luxor's magnetic glass dry-erase boards are easy to assemble and are packaged with supportive materials that are highly resistant to damage during shipping.

Features:

- Double-sided tempered glass resists stains and ghosting
- Super-clear finish enhances marker colors for a brighter, more vivid display
- Sturdy aluminum frame withstands years of use
- Sleek marker tray keeps track of accessories
- Magnetic surface allows for hanging of documents, spreadsheets, and more
- Four 3" rollerblade-style casters, two with locking brake, will not leave marks
- Requires rare-earth magnets (not included)
- Meets ISTA 3A Packaging Standards
- Easy assembly

Dimensions:

- Available in three sizes: 60" x 40", 30" x 40", 48" x 36"
