

# 5200 Series Folding Chair

Our upgraded 5200 Series tablet arm folding chair has been enhanced in style, strength and size. The tablet is now available now offered in a sleek Grey Nebula colored laminate with a MDF core and Black t-molding. You now have comfort, strength and style fused into one great chair. Our extended tablet provides extra writing space, featuring a new and improved curved design to allow for easier access. The tablet arm is now supported by our resilient Gorilla bracket, an ultra-strong triangular bracket which adds superior durability for the tablet arm, making this chair the best choice for a premium yet affordable tablet arm folding chair.
