

The Collaborator CLT Series

Collaborative, inviting, comfortable, durable, trendy and safe. The modern cafeteria environment needs to be all of the above, and you can now have it all. Introducing the Collaborator from National Public Seating. A choice of 1 ¼" HPL, 1 ¾" Butcherblock or Whiteboard Industrial Grade tops helps maximize your room's functionality. Tabletops mount onto 5-gauge support plates that are welded onto an 8-gauge X base frame for indestructible durability that can support up to 500 lb. Available in dining height (30") as well as bar height (42"). Bar Height tables include crossbeam for extra stability. Add some sophistication into your cafeteria with the trendy new Collaborator from NPS.
