

MODERN CITIZEN

Modern Citizen is a destination named after the inspiring women who shop us. In our world, “modern” is more than style — it’s a mindset. With thoughtfully designed and curated fashion, beauty, and home goods, our mission is to offer real, beautiful pieces to live and work in that empower women in our community to make moves.

As a young company, we’re digitally native and are utilizing the efficiencies of a direct-to-consumer business model to build a distinctive, beautiful brand — and a best-in-class next generation retailer.
