Billie Ombre Layout Assets

Use dimensions from multiple assets to create your layout

All rows are 5 units wide

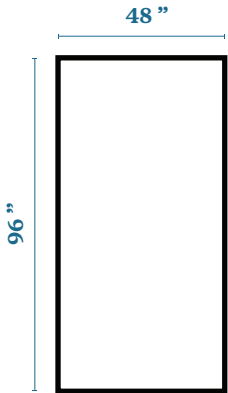

All pieces are outlined for easy calculation of amounts

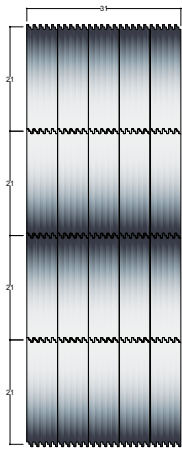

1 Decide on layout size required for your space

For example space size: 4'W x 8'H

2 What type of layout? Browse through assets.

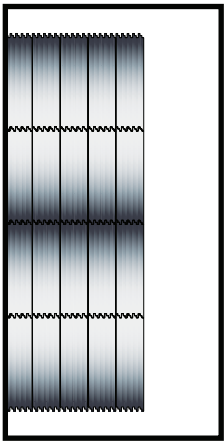

ASSET 1

3 How does this fit in the space?

Size of Asset 1: 31"W x 84"H

Size of Layout: 48"W x 96"H

4 Figure out how much more you need.

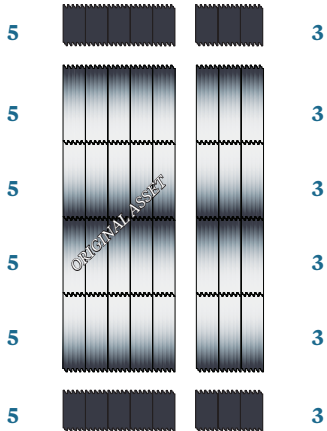

Size of Asset 1: 31"W x 84"H

Size of Layout: 48"W x 96"H

Difference: 17"W x 12"H

Using the key on page 1 you can see that you will need to add 3 more columns (18 5/8"W) to cover the 17" difference and two rows of extenders (21"H) to cover the 12" difference.

5 Count new amounts
