

# AQUA BLU

---

A pale blue-green background with washes of dark blue-grey and touches of mauve and teal, veins that range from near-black to chalk white, and dark crystalline inclusions create a complex, interesting marble quarried in Mexico. Dramatic variation from tile to tile add to the stone's appeal. Offered in a 12" x 24" x 3/8" tile with a matte honed finish.

# AQUA BLU

Honed 12" x 24" Field Tile
