NOTES
<p><sup>1</sup> This material is moderately sensitive to acids. When used as a kitchen countertop, acid etching may occur. Acid etching will be less visible on lighter stones and honed surfaces.</p> <p><sup>2</sup> Please see NSI DSDM (Dimension Stone Design Manual) for all installation instructions.</p> <p>Tech Note: May have natural voids in face that have been filled with epoxy. Epoxy fill may not be visible in photographs. Install with epoxy-based setting material.</p>
