NOTES

¹ This material is highly sensitive to acids. When used as a kitchen countertop, acid etching will be highly visible. Do not use this material if acid etching is a concern. For kitchen countertops we recommend a honed finish. Expect material to patina over time and create a beautiful rustic/antique look.

² Product must be installed in accordance with current TCNA Handbook Stone Methods.

³ Please see NSI DSDM (Dimension Stone Design Manual) for all installation instructions.

Tech Notes: Product must be installed in accordance with current TCNA Handbook Stone Methods.

The NSI Recommends Installing Resin-Backed Stone with Epoxy-Based Setting Materials. Consult your Setting Materials Manufacturer for specific recommendations.
