

DOMINO

Introducing Domino, a playful mix of 2" x 12" meshed field tile in an elongated rectangular pattern with random accent colors set against a "constant" of honed Thassos or White Sand. Through a subtle yet striking interplay, each color beautifully contrasts against an alternating backdrop, creating movement through simple geometry. In Domino White, Thassos marble is paired with the soft, creamy tones of Vanilla Onyx, White Sand and Volakas while Domino Multi combines White Sand limestone with a pastel blend of Rosa Portugallo, Viola Reale and Spring Green.
