

EUCLID *by* ALISON ROSE

Born of a collaboration with one of our favorite designers, Euclid by Alison Rose is a strikingly modern design crafted from the finest classical marbles still available. Euclid's many parts can be assembled in an enormous variety of formats, each one utterly custom, and all clear expressions of Alison's passion for proportion, balance and scale. Euclid's custom colorways are produced in Artistic Tile's domestic mosaic studio, minutes from Manhattan, allowing designers to select the raw materials and directly oversee the production of their luxury tile, start to finish. For immediate delivery, Euclid Large is stocked in both Green and Onyx colorways.
