

# FANTASTICO ARNI

Fantastico Arni is a striking Italian marble, sourced from the Apuan Alps of Tuscany, whose storied quarries represent the pinnacle of Italian stone. Against a fresh cream ground, dazzling veins strike sharp angles in a range of complementary colors, from vanilla and mauve through peach and rose to charcoal grey and deep rich green. The veins ebb and flow across the surface, rising and falling in extraordinary angles and swirls that recall both snowy mountain peaks and icy, rushing streams. A true 'statement stone.' Offered in 12" x 24" honed field tile and 2cm polished slabs, ideal for bookmatching.
