

# MATCHA VERDE

Swirling directional veins and radiant bolts of color bring exceptional energy to this marble, which boasts an entire garden's worth of tonal greens. Occasional markings of deep charcoal grey and minute flecks of mahogany & terra cotta contrast beautifully with the verdant background of the stone. Stocked in 12" x 24", honed and 2cm slab, honed.

## NOTES

<sup>1</sup> Product must be installed in accordance with the NSI DSDM guidelines. The NSI Recommends Installing Resin-Backed Stone With Epoxy-Based Setting Materials. Consult Your Setting Materials Manufacturer For Specific Recommendations. Dry layout recommended.

<sup>2</sup>This material is highly sensitive to acids. When used as a kitchen countertop, acid etching will be highly visible. Do not use this material if acid etching is a concern. For kitchen countertops we recommend a honed finish. Expect material to patina over time and create a beautiful rustic/antique look.

<sup>3</sup> Please see NSI DSDM Guidelines for all installation instructions.
