

METAL LINERS

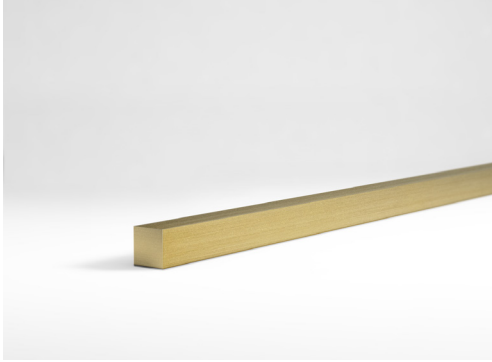

Metal liners add a beautiful modern accent to tile or stone installations. They make lovely details for edge trims, create seamless transitions between tiles or areas, and add variety and linear features to stone and field tile layouts. Our metal liners come in multiple thicknesses of stainless steel or brushed brass and coordinate perfectly with the metal inlay in many of our tile patterns, for a stylish finishing touch. Each liner is six feet long and may be easily cut-to-size on site.

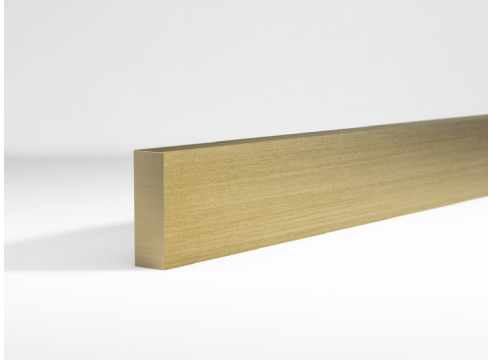

PICTURED: BRUSHED BRASS 1/8" X 72" X 3/16"

METAL LINERS

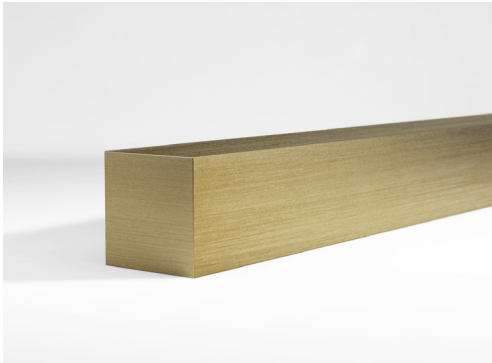

BRUSHED BRASS

1/8" x 72" x 1/8"

1/8" x 72" x 3/8"

3/8" x 72" x 3/8"

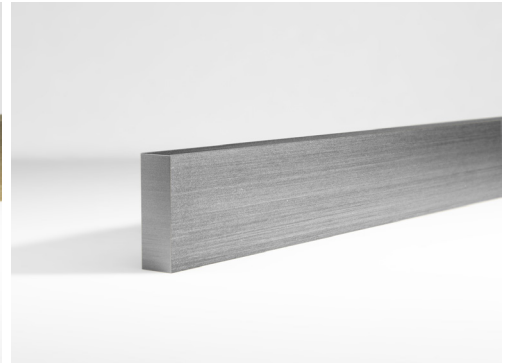

1/4" x 72" x 3/8"

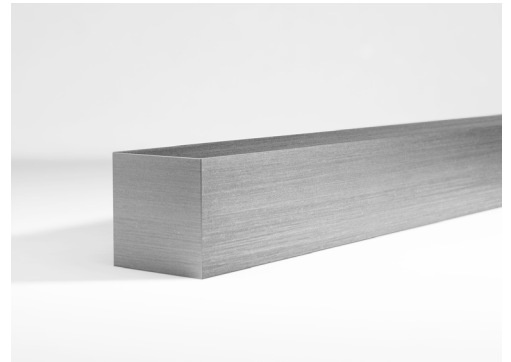

STAINLESS STEEL

1/8" x 72" x 1/8"

1/8" x 72" x 3/8"

3/8" x 72" x 3/8"

NOTES

- 1/8" x 72" x 1/8" is for use with Jazz Glass only.

BRUSHED BRASS*:

¹A dark patina will develop over time and patina will vary depending on climate and moisture. Shine can be restored with Blitz Brass Cleaner, surrounding stone and grout MUST be sealed completely before cleaning. Test a sample area before applying completely. Alternatively, BRASS can be sealed with polyurethane or lacquer to minimize natural Patina, follow manufacturers instruction

²For pristine appearance, dry surface with soft cloth after shower.

- Cut to length with a hacksaw lubricated with WD-40.
- Avoid epoxy setting material, this can damage metal surface.
- Use unsanded grout.
- Sold in 6' (72") lengths and finished on one side.

STAINLESS STEEL*:

- Cut to length with a hacksaw lubricated with WD-40.
- Avoid epoxy setting material, this can damage metal surface.
- Use unsanded grout.
- Sold in 6' (72") lengths and finished on one side.

**The liners are stocked in their raw format for use in our waterjet program and can be finished upon order. Finishing will take 2 business days.*
