

MISSISSIPPI MOIRE

Based upon the textile pattern known for its subtle ripples of tonal shading, Moire, often called the “watered textile,” is traditionally achieved by pressing two damp fabric layers with a pattern-engraved roller, resulting in a unique, wavy texture. Mississippi Moire arranges tesserae pieces of Jazz Glass in a meticulous staggered repeat. This closely spaced yet imperfectly aligned arrangement creates a mesmerizing, watercolor effect, in a visual allusion to the classic moire fabric treatment. Available in two exquisite color combinations, Pink Lady and Ice White, Mississippi Moire transforms into an all-over mosaic with seamless interlocking sheets.

MISSISSIPPI MOIRE

PINK LADY

(3.625 sf/unit) Mesh mounted interlocking sheet

NOTES
<p>¹ Mississippi Moire Pink Lady is only suitable for dry applications.</p> <p>² Recommended mortar for Ice White is Ardex X77 White Microtec Fiber Reinforced Mortar. Recommended mortar for Pink Lady is Mapei Planicrete W. Alternate mortar for Ice White is Mapei Adesilex P10 White w/Keraply Additive or Mapei Kerabond w/Keralastic Additive. Alternate mortar for Pink Lady is Litokol Litoelastic.</p> <p>³ Alternate grout - Mapei Ultracolor Plus FA or Mapei Keracolor Unsanded</p> <p>Tech Note: Individual sheets of this mosaic are not square. Sheets are irregular and combine into a seamless interlocking pattern. Plan your layout accordingly. Refer to installation guidelines for appropriate setting materials. The appearance of uninstalled glass mosaic is different than the final installed product. The semi-translucent Jazz Glass will be influenced by the choice of setting materials. A mockup to confirm mortar and grout selection is highly recommended. Grout color will greatly influence the appearance of the final installation. Grout color selection may be achieved by filling the joints with dry grout powder whether on installed mosaic or uninstalled mosaic sheet placed on white background. Sold as one unit broken into A,B,C,D sheets</p>
