

# MOON COSMATI LARGE RED

The captivating juxtaposition of semi-circles that made Artistic Tile's Cosmati Moon mosaic an instant classic is maximized via Cosmati Moon Large, part of the "Tailored To" custom cutting program, made by artisans in Artistic Tile's New Jersey headquarters. This rendition of Cosmati Moon Large combines veined, brecciated, and linear natural stone. The palette glows with a peachy background of Avorio marble, and half-moons of marble are cut from a refined selection of Arabescato Orobico Rosso, Dark Arabescato Orobico, Arabescato D'oro, Rosa Portogallo, Calacatta Viola, and Vanilla Onyx. All stones are honed.
