## ONYX OCEAN BLUE SLAB

An onyx of rich and dramatic power, with sweeping swirls of storm-cloud blue graced by rivulets and pools of fiery gold. This stone brings us a forceful beauty from eons ago, precisely captured in slab. From legendary Persian onyx quarries, Ocean Blue is offered in 2cm, polished.

NOTES													

<sup>1</sup>This material is highly sensitive to acids. When used as a kitchen countertop, acid etching will be highly visible. Do not use this material if acid etching is a concern.

 $For kitchen \ countertops \ we recommend \ a \ honed \ finish. \ Expect \ material \ to \ patina \ over \ time \ and \ create \ a \ beautiful \ rustic/antique \ look.$ 

<sup>2</sup> Showers: Product MUST be installed in accordance with current TCNA Handbook Stone Methods.

<sup>3</sup> Please see NSI DSDM (Dimension Stone Design Manual) for all installation instructions.

Tech notes: The N.S.I. recommends installing resin-backed stone with epoxy-based setting materials. Consult your setting materials manufacturer for specific recommendations.
