

TEMPEST BLACK

With swirling swathes of translucent ink-wash grey against a glistening ground of anthracite black, this dramatic quartzite is given extra intrigue via details of crystalline, gold-hued beige and rust. Quarried in Brazil, and stocked in 2cm, polished.

NOTES

- ¹ Minimally sensitive to acids. Contact with acidic foods should not cause etching.
- ² Regarding Fiberglass Mesh Backed Stones for installation in wet areas, consult your fabricator for recommended installation method. Options include, but are not limited to complete removal of fiberglass mesh backing (where applicable) or installing with epoxy setting material. Any decision to install contrary to most current Marble Institute of America Dimension Stone Design Manual practices is solely at buyers discretion and risk.
- ³ May have fiberglass mesh backing, choose setting materials accordingly.
- ⁴ Please see MIA DSDM (Dimension Stone Design Manual) for all installation instructions.
