

VAGLI ROSATO SLAB

A sumptuous visual feast of warm tones, Vagli Rosato is named for the range of rosy pinks that dominate this slab, but the striking veins of this slab also include brown sugar taupe, sunlit beige, soft mint and seafoam green, tangy peach and matte chestnut. This celebration of color plays out against a ground of rich milk-white, and strong diagonal patterning makes it an inspired choice for book-matching. Sourced in Italy, Vagli Rosato is offered in 2cm, polished.

NOTES

¹ This material is highly sensitive to acids. When used as a kitchen countertop, acid etching will be highly visible. Do not use this material if acid etching is a concern. For kitchen countertops we recommend a honed finish. Expect material to patina over time and create a beautiful rustic/antique look.

² Please see MIA DSDM (Dimension Stone Design Manual) for all installation instructions.

Tech Note: The M.I.A. Recommends Installing Resin-Backed Stone With Epoxy-Based Setting Materials. Consult Your Setting Materials Manufacturer for specific recommendations.
