

WISTERIA

An exquisite evocation in mosaic of the flowing charm of Wisteria. With its lush, purple pendant blossoms, a Wisteria vine can decorate walls for generations, and via the use of both waterjet and tesserae techniques, this stone version's beauty will delight for years to come. Designed as full-wall décor, Wisteria's petals are crafted of polished Lilac marble and Vanilla Onyx, with vines of honed Bianco Dolomiti. Each segment of Wisteria comprises a full crate of interlocking sheets that total 49.67 square feet, covering an area of 9' x 5', and may be extended horizontally as desired. For walls taller than 9' or if other colors are desired, please inquire about custom options.
