---

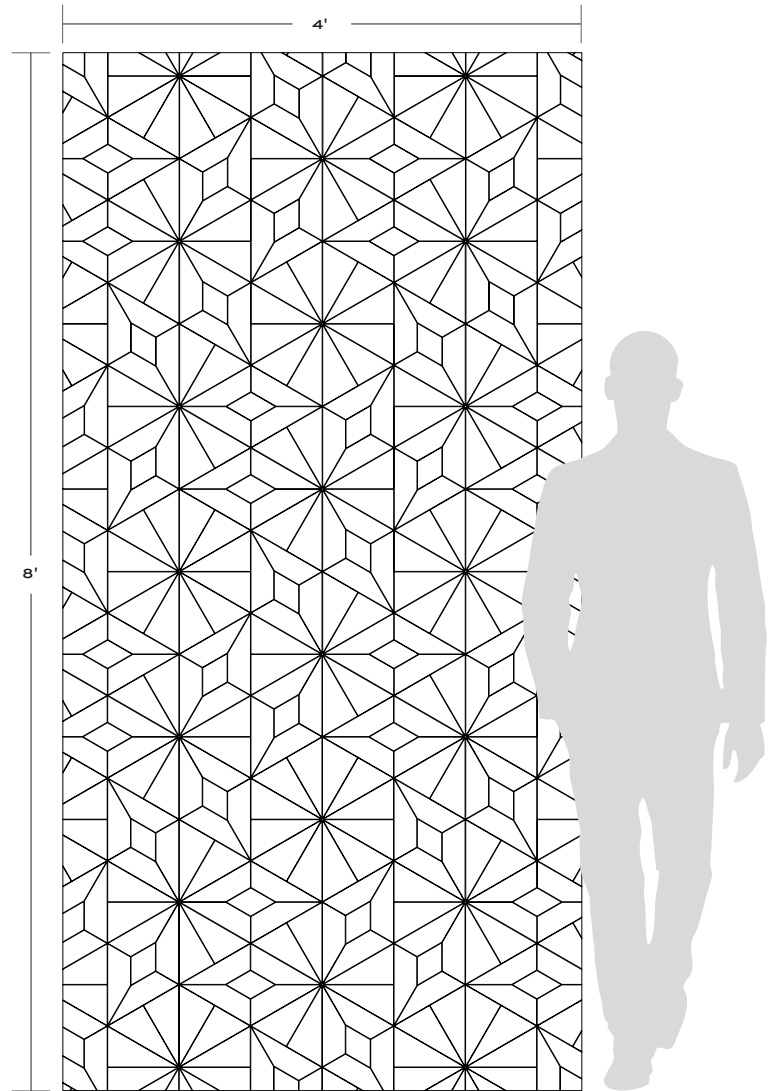

Barcelona is a large scale hexagonal waterjet mosaic inspired by the work of Antoni Gaudi, the legendary leader of the Catalan Modernism movement, whose unmistakable style still defines the aesthetic of his city. The pattern recalls Gaudi's fascination with structure and design, connecting architecture with the applied arts of the day. Crafted with Bianco Carrara and Thassos marble, it is our ode to the man, the city, and the movement that made Barcelona one of today's wonders of architecture and design.
